

A black, rectangular 1800Hz transmitter device. The front panel features a green digital display on the left showing '00.00' and 'Tx-Rx'. To the right of the display are several ports: a USB port, a 3.5mm audio jack, and three RJ45 ports. The top of the device has a perforated grille and the '1800Hz' logo. The back of the device has a gold-plated BNC connector.
